**Hazel Clark and the local Lib Dem team have a strong record of action in Chelmsford West.**

The Lib Dem team work hard and keep in touch all year round. We are always out and about, listening to residents and getting things done.

Here are just some of the things the team have been up to...

**Fixed damaged drain on Rainsford Rd** - after its significant noise affected residents.

Organised replacement recycling bin for the flats on **Grange Court.**

Worked with MP Marie Goldman to get traffic lights on **Parkway junction** fixed.

Got new customer only parking signs at **Hylands Parade** - making sure local businesses are supported.

New trees across **Westlands.**

**Making Princes Rd safe for all** - made a dangerous metal stump safe while awaiting road sign replacement.

**Pressing for safer roads on Linnet Drive** - demanding traffic calming measures near a busy school crossing point.

Helped get assisted recycling collection for residents on **Hillside Grove.**

Arranged parking enforcement action in **Robin Way.**

Replaced broken street signs in **Bruce Grove and Linnet Drive.**

**Pressed for a dangerous wall on Robin Way to be rebuilt** - so children can get to school safely.

**Demanding road safety improvements on Galleywood Rd** - so elderly residents and families are safer.

After residents raised concerns, Hazel made sure an electricity substation in **Robin Way** was made safe.
